

December 31, 2020 ComancheZOOM Social evening

Topic: “New Year’s Eve OPEN MIC NIGHT”

This was a chance to get together on New Year’s Eve. Open Mic night; say what’s on your mind! Share your personal flying New Year’s resolution(s) – equipment upgrades, pilot training, bucket list flying goals – and how you plan to accomplish it/them. Bring whatever you wish to the meeting.

Many Comanche folks brought in their greetings and stories, including the one about the creation of the video by a Netherlands team looking back at the Challenger accident. The team interviewed the person chosen as #2 for the spot filled by Christa McAuliffe. Spend time to check out this amazing story.

We went on to discuss the way forward for our loose ComancheZOOM consortium team. Organize as a new stand-alone business, championing our beloved Comanches and pilots? Replace the struggling ICS by attrition or even a hostile takeover? Who might be the best people to form the plan forward? A lot of discussion about what might be next in 2021.
