subject: TERMINATION - NE Tribe Fly-in Coordinator

Pete,

You are hereby terminated from the position of Tribe Fly-in Coordinator, effective immediately.

Although your personal words to me have been extremely cooperative, your actions belie the opposite. You have been deliberately disruptive and destructive to our tribe. Further, you have perjured yourself in sworn documents and have repeatedly violated the ICS ethics code.

I caution you against any further communications to our tribe members in any official capacity. I also caution you against using the ICS membership mailing list in any official capacity.

Pete, should you continue your disruptive actions, your membership privileges in ICS and our tribe may be suspended or terminated.

Av Shiloh  
Tribe Chief, ICS NE Tribe  
Northeast Comanche Tribe, Inc.
