

ComancheZOOM for Thursday, April 10

Topic: Instrument Proficiency Check (IPC)

When, Why and How (aka How to survive the Spanish Inquisition!)

This Zoom has been submitted for FAA WINGS credit approval.

Register for credit at Wings.NortheastComanche.Org

Do you hold an IFR rating? Have you flown your 6 approaches, under ATC control, in the past 6 months to maintain your currency? If not (or nearly not), then this Zoom is for you! Or if you are still unsure about IFR ratings, then check this out.

Piper Comanche pilot Rosemarie Williams leads a panel of CFIs in a discussion of how to regain your instrument currency. Rosemarie lost her instrument currency when life happened and she had to get it back. Dr Williams has owned and flown 2 Mooneys, a P210, and 2 Comanches, including his current 1969.

Hear what she did to regain currency and how she did it, with commentary from experienced CFI / mechanics.

Attendees: please feel free to bring your own stories and anecdotes!
