

ComancheZOOM for Thursday, February 6th
Topic: **Open Mic Night:**

Because of storms in the northeast our presentation plans went out the window. We had to come up with a different idea.

This Zoom followed an alternate plan as an open mic discussion. There were a number of planned Zoom topics and continuing projects to talk about. Your ideas and input were noted as we continue planning these ComancheZOOMs.

Some possible topics for discussion:

- 2025 ComancheTown at Sun 'n Fun April 1-6
- 2026 ComancheTown at '26 Oshkosh Airventure
- Possible group buys / ideas
- Zoom topics / Wings credits in the works
- FAA AD efforts / remediation

A fair amount of time was spent discussing liability insurance – what claims were being covered, how rates were then affected, what changes in premiums based on pilot age or flight experience, and possible ways to reduce the bottom line. Definitely to be continued as a future topic.
