

ComancheZOOM for Thursday, July 25, 2024

Topic: Live from OSH ComancheTown - with CJ Stumpf, our roving reporter

We were able to get live video with the folks from ComancheTown at OSH AirVenture 2024. Enjoy the walk around ComancheTown North as CJ shows us the sights and interviews some of the folks on the field. Unfortunately the early video was blurred by her choice of Zoom background setup, but cleared up nicely when reset.

See the sights from the participant's cell phones and hear about all the goings on. Maybe even smell the Gumbo from Tuesday night!

Catch up on any presentations from earlier in the week or planned in the next few days.

Pilots had a long list of plans to improve future ComancheTown events.

There are useful links posted in the Chat file for the PA-400 Celebration in early October.

All in all, an interesting taste of the OSH environment.
