

ComancheZOOM for Thursday, February 20

Topic: The Comanche 250 Turbo – Part 2

Terence Cultra describes his family's experience with the first turbo charged Comanche 250. Terence and Tim Armsey review last week's intro to the turbo 250 and then go on to describe the rebuilding they have done following the ten years that it sat in storage.

A lively discussion ensues on each decision they made, with photos and data backing up their work. In the process several part suppliers are mentioned for the now very vintage Comanches.

Tonight's Zoom was not available for Wings credit.
