

## Sept 3, 2020, ComancheZOOM - **Gear Emergencies -- What to do!**

With Henry Spellman

Hank is a long time Comanche owner and supporter, and a two-time Single Engine Flagship winner. He shares his landing gear experiences with us as he steps through the [Comanche Abnormal Gear Operation](#) checklist by Maurice Taylor and P.K. Roberts. Hank also shares other documents and photos to provide more detail. Several other Comanche owners and A&P's in attendance provide comments that add great depth to the discussion.
